

LONDON ART WEEK

London Art Week has announced a series of events, exhibitions and discussions taking place from November 29 to December 7, exploring art from antiquity to the 20th century.

The Winter 2018 Salons look to bring pre-contemporary art to a new audience. Held across public and private venues in Mayfair and St James's, highlights include Stephen Ongpin Fine Art's talk and exhibition on the rise of commercial illustration and the birth of advertising; a joint event between Dover Street gallery Robilant + Voena and Savile Row tailor Henry Poole; and Sam Fogg will present an exhibition of seven design objects.
