6. Anh Duong at ROBILANT + VOENA

A hop and a skip from Dover St Market, home to the Simone Rocha's spring/summer 2014 collection of dreams as well as the best collection of hard-to-find photography books in town, is **ROBILANT + VOENA**, where Anh Duong's first solo London show of self-portraits opened last week. Chanel No 5, Dolce & Gabbana gowns, and rows of high heels seduce as Duong explores our fetishistic fantasies of fashion and her own (and our) mirror-image in expressive and emotive paint.
