### Anh Duong's *Self Portraits* private view

Who knew Lily Cole was such a big fan of greyhounds? At Anh Duong's *Self Portraits* private view - held at Robilant + Voena's Dover Street gallery - the model spent most of the evening cuddling up with two pooches. Meanwhile, [Eva Herzigova](#) and [Laura Bailey](#) gave every man in attendance a reason to stare (we can hardly blame them), before they led the group over to Whisky Mist for an afterparty.
